KICKING GOALS

MISSIONS MONTH October was Socktober for the Catholic Missions and last week our students made soccer balls from scraps of material, twine, plastic and paper as do children in many poverty stricken countries have to do. The goal was make a difference to make a difference in the lives of vulnerable children in Thailand and around the world.

Our children and their Sockballs set out on Friday to kick as many goals as they could in a certain time frame. For every goal scored Mrs Crosby gave .20c, the School .50 and the SRC donated .50c. So, how many goals?

214!!!
WOW!

This money has been donated to Catholic Missions ~ thank you everyone and may we keep in our prayers all those children who are less fortunate than ours, that they have access to clean water, food and education.

"To be on mission is to be willing to think as Christ does, to believe with him that those around us are also my brothers and sisters. May his compassionate love touch our hearts and make us all true missionary disciples."

~COVID RULES~

Update from Catholic Schools NSW

A Combination of layered safety measures allows schools to keep the health of students and staff a priority for Term 4.

1. Stay away from school if unwell
2. Double vaccinations are required if you are to enter the school. *Please supply evidence either via email or sms or show proof on arrival.*
3. Wear masks indoors
4. Check in and check out at the front door
5. Maintain physical distance 1.5m
6. Maximise ventilation
7. Maintain good hygiene and cleaning

Please see next weeks newsletter regarding the Graduation Mass and End of Year Concert plans.

YEAR 6 ORIENTATION @ Red Bend

Jas, Isla, Cooper, Kourosh and Noah had a great day at Red Bend on Monday ~ lots of new people to meet and take in the size and layout of the school. They made key rings in TAS, played volleyball in PE and milkshakes in Food Tech. They have also been allocated their houses for next year.

GYMNASTICS

Gymnastics will be on every Friday afternoon between 12.15 and 1.30pm with a Central West Coach.

JUNIOR JOEYS ORIENTATION

The next days for Junior Joeys are;

Wednesday 10th November 9.00 - 12.15pm

Wednesday 17th November 9.00 - 3.10pm

Yesterday the little ones enjoyed making and being caterpillars and butterflies.

YEAR 6 2022

Year 5 will be presenting their speeches for School Captains and Sports Captains at school on **Monday 8th November**.

The whole school will vote on this day for the 2022 Leaders including a SCR member from Year 1 to Year 5.

Office of the
Children's Guardian

Everyone working with children in NSW shares responsibility for their care;

There are **10 Child Safe Standards** that we as a school and staff uphold to and provide evidence to the CEDB that these are being met.

Each week we will explain 2 of these standards.

3. Families and Communities are informed and involved

As a child safe organisation we communicate, consult and invite the participation of families, caregivers and the broader community to promote the rights of the children.

4. Equity is upheld and diverse needs are taken into account

We take into account children's diverse circumstances and promote equality. Our organisation needs to adapt and respond to children's individual learning and communication styles as well as their life experiences.

REMEMBRANCE DAY 11am 11.11.2021

Remembrance Day marks the anniversary of guns falling silent on the Western Front in the First World War: the eleventh hour of the eleventh day of the eleventh month.

Our nation and our school will stand in silent reflection for one minute each year to commemorate and honour those Australians who have died or suffered in wars, conflicts and peacekeeping operations.

The Poppy

In Australia and other countries of the Commonwealth, we recognise the red poppy as the commemorative flower of remembrance. The flower reminds us of those who lost their lives or suffered in wars, conflicts and peacekeeping operations. It's a tradition that began soon after the First World War.

Congratulations

Culture trophies
for
