PRAYER

Lord, I pray for students and learners. Give them minds that are eager to learn. Give them courage to ask good questions, confidence to take risks, and the discipline to focus and study. I pray for quality friendships and safety in and out of the classroom. I pray for the kids who struggle with anxiety and fear; may they feel your perfect love surround them, and give them the courage to get through each day. I pray that learning is engaging, valuable, and exciting. Give the students focus and direction as they prepare for what lies ahead.
