BIKE SAFETY DAY 💞

A big thank you to our local policeman Constable Phil Taylor, and his colleague Constable Jason Burcher for spending last Friday morning with our students, running a Bike Safety Day. The children had a fantastic time learning about the important rules of road safety and practising their riding skills through fun drills and activities. We are so grateful for the time and effort put in to help keep our kids safe.

SHOW CRAFT AFTERNOON

Our Show Craft Afternoon will be held next Friday 12th September from **12:15pm - 3:00pm.** This is always a special event where children can select 2-3 items from the Craft and Decorative Class Show Schedule (sent home <u>last week)</u> to create on the day. Parents, families, and friends are invited to come along and enjoy helping the children with their show craft.

Important Information for Parents:

- Please work with your child beforehand to plan exactly which projects they would like to make, so they know what they will be creating on the day.
- Each child must bring all the necessary materials for their chosen projects, packed neatly in a box or container. This ensures they have everything they need to successfully complete their creations.
- Please note: drawing and painting activities are not part of this session. Children should instead choose a hands-on craft activity, such as a LEGO construction, sewing project, or other craft item listed in the **Show Schedule**.

Thank you for supporting your child —we can't wait to see the wonderful creativity and imagination on display at our Show Craft Afternoon!
